

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Every year about this time we get a request from Supt. C. F. Cook to help him improve our school attendance. And every year we find it harder and harder to come up a new way to say that every child in the district belongs in school.

School attendance is somewhat like Church attendance — the only ones that listen to you are the ones that don't care. You just can not reach those who do not care.

There are three good reasons for Mr. Cook stressing the need for better attendance. The first is that it is his responsibility to enforce the Compulsory School Attendance Law which states that every one from seven to 17 must attend school 165 days a year.

The second reason is that the school system can not help those who do not attend. It is always those who need help the most that attend school the least.

And the third reason is economics. State aid in paying teachers salaries is based on average daily attendance and when attendance falls off so does our state aid. Unfortunately the state is not concerned that you must have enough teachers to take care of the students enrolled whether they attend or not.

When you reach the borderline, it comes down to the point where one student absent one day can cost the local taxpayers as much as \$4,000. So it is easy to see why Mr. Cook is concerned, as should all taxpayers.

As a parent we find it hard to understand how other parents can let their children miss school. Personally our biggest trouble seems to be just the opposite in that we tend to get upset when our kids miss school even when sick.

Along with attendance, Mr. Cook also is concerned with the lack of interest on the part of many parents in their children. He urges parents to see that their children have good study habits, do their homework, and in general keep up with their school work.

In visiting with Mr. Cook we also find that the new building is progressing on schedule with the completion expected about July 15.

The new building will take care of the top four grades with the next three grades moving into the old high school building. The present junior high will house the third, fourth and fifth grades and the primary building the first two.

The elementary building will be used for the reading program, music, workshops, etc.

Police Chief Bryan Wasson announced this past week that the local patrolmen are now armed with a new CN tear gas type weapon for use in self defense. The weapon is similar to the ones being used by the Abilene Police force and were approved sometime back by the Taylor-Jones County Medical Society as being safe.

The new aerosol spray weapon gives a patrolman an alternate to the use of a club or gun when faced with someone resisting arrest to such an extent that the officer or the prisoner is in danger of being hurt in a resulting fight.

A potent form of tear gas, it leaves its mark as a liquid and turns to vapor on contact. It produces blinding through harmless irritation of the eyes and it also cuts down on its victims oxygen supply, leaving him winded and dazed.

The weapon has been used nationally to stop fights, subdue unruly drunks and even save lives of potential suicides.

It looks like this district's basketball races will be thrillers right down to the finish. Barring losses to Winters Friday night, it will be Tuesday before the winners will be known and even then it may take a playoff game to settle the girls.

Wins Friday and Tuesday will give the Pipers the title but for the girls to win it outright it will take a victory Friday and then a loss by Anson to Winters Tuesday. The girls race could end up with a clear cut winner or it could go into as much as a three way tie — depending on the games with Winters by Hamlin and Anson.

We join with all the Hamlin fans in wishing both teams the very best of luck in these final games.

CROWD PLEASER — The Texas Tech Stage band held the attention of the large crowd with a varied selection of numbers Thursday evening in Hamlin High School Auditorium. The concert, the third of the day and last of a five day tour, was spiced with novelty numbers and antics by the bandmen. One

of the many surprises was "I Can't Stop Loving You" a number that started off dreamily and then featured the five trumpet players above in a loud rendition of the main theme. Joel T. Leach, right, percussion instructor in Tech's Department of Music, directed the 21-member group. — Tim Jones Photo

Basketball Races to Go Down to End All Tied Up

The Pipers missed their chance Tuesday night to take the District crown when they fell to Anson, 51-49, in overtime. The same night the Pipers hung on to their share of the lead with Colorado City by downing Anson, 87-75. Van Covington led the Pipers with 25 points, followed

by Milton Davis with 19, Charles Shira with 17, and Milbourne Newland with 11.

In the girls game, Linda Bailey was high with 26 points. Friday night the Hamlin teams will travel to Winters in what will be the final scheduled game for the Pipers. The girls are tied with Anson with 4-1 records and both teams must play Winters. A win by both will leave the race in a tie, a win by either will decide the title and a loss by both would put the race in a three-way tie.

The big game for the Pipers comes up Tuesday when they host the Colorado City Wolves in what will be the showdown battle barring a loss by either Friday night.

Last Friday the local teams sailed by Haskell with the boys winning, 89-65 and the girls winning 55-32. Terry

Holt was high for the Pipers with 17, followed by Newland with 16, Covington with 14 and Davis with 13.

Miss Bailey led the girls with 29 points.

Junior High Sets

Tournament Here

Tonight, Saturday

Hamlin Junior High basketball teams took two of the three games with Avoca-Lueders at Lueders Monday night.

The seventh grade boys slipped by their opponents, 20-19.

Eighth grade girls came out ahead, 20-10.

The eighth grade boys fell to the hosts, 38-28.

The boys and girls teams now rank first in district each with 3-1 records.

Hamlin will host a seventh and eighth grade tournament here Thursday and Saturday with games beginning at 6 and 8 p.m.

Riding Club Sets

Meeting Friday

The Hamlin Riding Club will meet Friday, Feb. 9, at 7:30 p.m. at the Blue Bonnet Cafe, 151 E. Lake Drive. Everyone interested in the Club should attend this meeting, says Bill Dominey, president.

New officers will be elected.

Swimming Pool

Group to Meet

The Hamlin Foundation, administrative body for the Hamlin swimming pool, will meet at 7 p.m. in the BCD office today (Thursday).

Presidents of all civic and women's clubs and a representative from each club should attend.

Bill Davis has been named local chairman for the annual heart fund drive to be held during the month of February. Bill Longley of Stamford is the county chairman.

He said this week that a date for the drive would be set at a later date. Memorial contributions can be mailed to him at 549 N. W. Ave. J, he added.

New officers will be elected.

Four In Race for Commissioner

The hottest race shaping up in Jones County will be centered around Hamlin with four men seeking the Precinct One County Commissioner's post. Vying for the office now held by Johnie Agnew will be Agnew, Burnia Reid, Bert Fomby and Cecil Brown.

Other contested races in the county are for sheriff and tax assessor-collector. Dave Reeves, incumbent, is being opposed by J. W. Woody Simmons for sheriff and Louis Johnson and Mrs. Virginia Farnson are seeking the tax office position currently held by A. J. French who did not seek re-election.

District-wide filings for the Democratic primary include: For U. S. Representative, 17th Congressional District, Omar Burleson; District Judge, 104th Judicial District, J. Neil Daniel and Henry Doscher.

State Representative 62nd

Committees Named for BCD Banquet Feb. 16

General chairman Milburn Wink has announced the committees that are working on the annual Board of Community Development banquet to be held Friday, Feb. 16.

Merrill Green, head coach at Cooper High School, Abilene, will be the guest speaker. Committees named are as follows: speaker, Rev. Marshall Stewart, Holly P. Toler, Luther Haught; publicity, Bob Craig, John Howard Jr., Charles Absher; food, B. V. Newberry; program, Wink, Bill Harbert, George Campbell; receiving line, Elbert Payne, John Howard Jr., W. T. Johnson, Wink, C. W. Griggs, all retiring directors; registering guests, Mr. and Mrs. John Bryant, Mrs. Floyd Clifton and Mrs. Burt Oliver; taking tickets, Floyd Clifton, Burt Oliver; ticket sales, Barry Moore.

Tickets at \$2.50 per person are now on sale by the BCD directors or may be obtained at the BCD office.

March of Dimes Drive Here Nets \$318.69 In Hamlin

Receipts in the annual March of Dimes campaign reached \$318.69, according to a report made Wednesday morning by Joe E. Ford, one of the Hamlin representatives to the Jones County Foundation.

During the street blockade conducted by the Boy Scouts of Troop 43 a total of \$123 was collected.

Other receipts are from the school students and donations. Anyone wishing to donate to the March of Dimes may contact Ford at Farmers and Merchants National Bank.

Police Firing Range Built Here

Police Chief Byron Wasson has announced that the local department now has a firing range.

Located on the Jess Young property, the range was built under the supervision of county commissioner Johnie Agnew.

The range will be used for training and also during the upcoming Police Academy to get underway later this month.

Milton Crow arrived in Guam Jan. 22 aboard the USS Hunley. He will be assigned there until July or August.

FROM SP 4 TO 576 — Phone Number Change Due Here In October

Hamlin residents will notice several changes when the new telephone directories are released by Southwestern Bell Telephone Co. in October. The major change is the prefix being changed from SP 4 to 576.

For the most part, the last four numbers of a telephone users' number will remain the same. The exception will be the numbers between SP 4-1000 and SP 4-1999. This series will be changed to 576-3000 upwards. For example, SP 4-1691 will become 576-3691. The change will pave the way for future telephone improvements here.

The system, already in use in many cities, is known as ALL Number Calling. The change to ANC was necessary because the telephone system, on a nationwide basis, is running out of suitable, easy to pronounce and easy to understand names. The 50 percent more usable telephone numbers derived from this change will enable the system to keep up with the demand for service.

The telephone company, in making the advance announcement, reminds customers who use their telephone number on printed materials to have the correct number on materials to be used beginning in October.

Hamlin Youths Hurt In Wreck

Two Hamlin men were injured about 1:30 a.m. Sunday in a one car accident in which two Haskell boys were killed and the driver of the car, V. W. Howard, Jr., 22, of Paint Creek, was slightly injured. All were taken to Hamlin Memorial Hospital from the accident scene 9.2 miles east of Hamlin.

Injured were Clifton Allen Williams, 22, and William Herman White, 21. Both suffered bruises, contusions and abrasions. Williams was released from the hospital Wednesday morning and White is still hospitalized.

Howard was treated and released. David Oliver Jacobs, 18, died at 3:15 a.m. and Jerry Dan Adkins, 17, died at 3:25 a.m.

Highway Patrolman Ocie Renfro of Stamford said that the auto swerved off the road, crossed the highway again and turned over several times. The young men were on their way from Stamford to Hamlin to bring the Hamlin duo home.

Investigating the accident with Renfro were Highway Patrolman Oscar Armstrong of Anson and units of the

District, Place 1, Grant Jones and James Ron Weddington; State Representative 62nd District, Place 2, Frank Calhoun.

Sylvester News...

by Mrs. R. M. Babb
Looks like a lovely week and maybe people can get a few things done that need to be attempted.

In Mrs. Landon Perkin's home during the weekend were Mr. and Mrs. Raymond Perkins and children of Lubbock and Mr. and Mrs. Webb Killingsworth of Roby.

Tommie Combest and boys of Abilene spent the weekend with her mother, Mrs. A. C. Smith.

In the Roy Kiser home on

Sunday were: Mr. and Mrs. Joe Spikes of Abilene, Mr. and Mrs. Derwin Maberry of Brady and the grandchildren.

Visiting in the Woodrow Lawlis home late Sunday were their daughter, Mr. and Mrs. Mike Dobbs and son and Billy Jackson and Teddy McIlwain, all of Abilene, Billy Jackson, son of "Dub" Jackson, Missionary to Japan, is attending Hardin - Simmons. Billy gave the opening exercise in Training Union and every one enjoyed it very

much.

Waldo Gatewood spent several days in Hamlin Hospital but seems to be doing better.

Mrs. Dan Kidd fell again last week due to the high south wind we had. She broke her left arm just above the wrist and did quite a lot of damage such as cuts and scrapes. She is in Hamlin Hospital.

Mrs. Opal Josey spent several days in Hamlin Hospital. At present she is at her son's home in Hamlin, the J. D. Joseys.

I was surprised last week when I attended the annual Water Board meeting in Mc-

Caulley. Such a very small number attended when every-one should be very interested in everything that is being done. Most of the stock holders do not have the slightest idea whether the line is in the "red" or whether we are in the black, but thank goodness we are in the black thanks to a good board for this success the past two years. They were elected to serve another year with out pay and no thanks at all. I feel we owe them a big "Thank You" for their services.

There have been several asking about our Homecoming. We haven't had one in several

years. The last one was in '62 or '63. If interested contact one of the elected officers and tell them what you would like. The officers are Frank Mitchell, Fred Turner, Woodford Pursley.

Mrs. Maggie Wilder spent several days in Dallas visiting her sons and their families.

Mr. J. B. Pope has been here for several days and will stay some time longer. He lives in Waco.

Woodford and Lorena Pursley moved to Mineral Wells where Woodford will be working at the Copter base. We will miss them but it will give us some place to visit.

Mrs. Hazel Mauldin has been very ill in Stephenville hospital. She had surgery this past week but is doing fair at this writing. Her mother, Mrs. Tindal, and sisters, Mrs. A. J. Ford and Mrs. Guy Mauldin were with her.

In the Faye Dozier home Sunday afternoon were: Mr. Sonny Dozier and sons of Anson and Mrs. Birdie Lee Parker and son, Leon, of Abilene.

Spending Sunday afternoon in the Jerry Prather home in Sweetwater were Mr. and Mrs. Buford Brown of our town.

Trantulas have poor vision.

Mrs. Fred B. Moore Jr. Reviews Book, 'Christy,' for Guest Day Tea

Mrs. Fred B. Moore Jr. presented a book review for members of the Woman's Literary Club and their guests at the annual Guest Day Tea held at the First Baptist Church. Mrs. Moore reviewed Catherine Marshall's first novel, "Christy."

The author, whose earlier works include "A Man Called Peter" and other inspirational books, uses the experiences of her mother, a teacher at an Appalachian mission school, as a basis for the moving authentic drama of mountain life.

In the review Mrs. Moore capably presented the character of Christy, a spirited young girl in search of her own identity and a deeper religious faith, in the surroundings of the eastern Tennessee world with its feuds, its fun, its humanity, and its proud independence.

Guests were received by Mrs. Bob Craig, club president, and Mrs. Ned Moore.

Background music was played by Mrs. Larry Farnsworth, pianist, during the tea hour.

Mrs. Robert Wilson poured. The refreshment table was covered with a white cutwork cloth over yellow and centered with an arrangement of huge yellow mums arranged with white chrysanthemums in a crystal and silver container. Crystal and silver appointments were used.

KIDNEY DANGER SIGNALS

Low Cal Club Meets Tuesday At Harden Library

Members of the Low Cal Club met Tuesday at 6:30 p.m. in Harden Memorial Library. Mrs. E. J. Rowland was named queen for January and Mrs. Vernon Johnson earned the honor of queen for the week.

Mrs. Ray Maberry, vice president, presided.

The group played 84. Others present were Mmes. I. D. Acklin, Joe Dawkins, Roy Embrey, Calvin Embrey, Willie Ails, Melvin Scott, Henry Downey and Charles Ferguson.

The next meeting will be at 6:30 p.m. Tuesday in the Library.

Wa-Ca-Ka Camp Fire Girls Meet At Hut Friday

Mrs. I. J. Starr served refreshments and assisted Mmes. Fred B. Moore Jr., Miller Harmon, and Raymond Walden, at the regular meeting of Wa-Ca-Ka Camp Fire Girls at the Hut Friday.

The girls made paper weights of rocks.

Members present were Tweedy Starr, Becky Harmon, Patricia Moore, Lisa Willingham, Debra Hollis, Debbie Cary, Elaine Carlton, Melissa Madden, Debbie Edmiston, Jo Dell Wilder, Debbie Light, Diane Bradley, Connie Deaton, Sherrie Carter, Linda Walden, Debbie Jay and Judy Wilcox.

Mrs. Ray Brown presented the Bible study on chapters four and five of the Letter from James. All present participated in the group discussion.

Others present were Mmes. Bob Wilson and W. A. Hawkins.

The Bible study will be held Feb. 14 in the home of Mrs. Parker Kelly. The next circle meeting will be Feb. 28 in the home of Mrs. Scotty Knox.

State President Speaks to LVNA Group In Rotan

Helen Segrest, LVNA state president, spoke Monday night in Rotan as guest of Division 43, LVNA.

Licensed Vocational Nurse members from Hamlin, Division 73, attending were Rudene Blackwell, Viola Brown, Ruby Perryman, Leona Teichelman, Erma Wallace, Toad Brown, Effie Miller, Annette Stuart, Evaline Scifres. Other guests were Bonnie Woodfin and Lilly Jones, both of Albany.

Jaycee-ettes Host Supper Saturday

The Hamlin Jaycee-ettes hosted a Mexican Supper Saturday evening in the Jaycee Community Building.

An array of Mexican dishes were brought by those who attended. After the meal, bingo was played, and white elephant prizes were given. Fifteen couples attended.

Junior High Honor Roll

The honor roll for Hamlin Junior High School for the third six weeks period is as follows:

PROGRESS

Progress is on the march. There is a great boom in building. Cures are being found for maladies that have killed mankind for centuries. Industry is doing magnificent things. But what sort of progress is being made in human relations—this term that includes respect for the person and property of others and good will among men.

There is one agency striving for progress in this field. This agency is the church. At the birth of Jesus Christ, the following prophesy and promise was given to mankind by a host of angels: "Glory to God in the Highest Heaven! Peace upon earth among men of goodwill!" Luke 2:14, (Phillips translation). Only when the majority of men on earth are men of goodwill, will we have peace.

Attend church this week and align yourself with the forces of God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

THE HAMLIN HERALD

AUSTIN — Around and around goes the Texas Liquor Control Board inquiry — and where it stops nobody knows.

Threatened with disclosures that would "blow the top off" irregularities in operations of some of its field personnel, the board heard just enough to rattle its windows at a one-day public hearing here.

Widely heralded fact-finding proceedings before the three-member board developed little evidence.

But the probe, according to LCB Chairman W. D. Noel of Odessa and First Assistant Atty. Gen. Nola White, coordinator, will continue behind the scenes.

Gov. John Connally said the fact that only five witnesses showed up for the hearing (when 500 had been invited) was "very disappointing".

Ex-inspector William B. Groce and Raymond L. Valenta, among seven Dallas LCB employees fired on December 13, provided most of the testimony. They denied any wrongdoing and demanded exoneration of any part in alleged rigged sale of a confiscated \$78 truck and the reported trading of 11 bottles of confiscated liquor to an auto painter.

Dallas Assistant Dist. Atty. William F. Alexander re-

peatedly questioned Groce and Valenta about their association with a 417-pound private investigator named Smoky Joe Smith. Smith is under indictment on charges growing out of alleged efforts to "fix" liquor license suspensions.

That some partiality was shown in enforcing liquor laws in the Dallas area, was hinted by the ousted inspectors. But they denied pressure to put anybody out of business or any knowledge of license suspension reductions by the board's state headquarters.

White commented after the hearing that no real evidence of wrongdoing developed. Further hearings in Jasper, Dallas, Odessa and Tyler have been suggested.

Meanwhile, new fuel was thrown on the fire by the firing or resignation of the board's supervising investigator, John W. Crank. Crank said he quit because he was "fed up". The board said he was relieved of his duties.

BUDGET — State agencies now are in the process of presenting their 1968-69 budget requests to the Legislative Budget Board and the Governor's Budget Office.

Staffers in these offices have indicated they can be ready for a special legislative session by the end of February if that time should strike the fancy of Governor Connally.

Budget office personnel are confining their attention to agencies offering major changes over funds allocated for fiscal 1968.

CONSTITUTIONAL REVISION — A blue ribbon constitutional revision commission has set itself a late May deadline for the processing of study-group proposals for

SWISS SKYRIDE—Sidewalk superintendents are viewing progress on HemisFair '68 from the air with the help of the Swiss Skyride over the World's Fair grounds. These early bird visitors are part of more than 20,000 persons who have taken the skyride since it was opened to the public on Christmas weekend. The 622-foot Tower of the Americas with its six-story tophouse in place draws the attention of many sightseers.

changing the state constitution by sections.

Commission granted its study sub-committees broad leeway as to whether to recommend sweeping "philosophical" rewriting or simple updating of basic laws and elimination of deadwood. Most members appeared to lean toward the latter, and some warned that the legislature is going to do as it pleases anyway with the final handiwork.

POLLUTION SUITS — Two Dallas corporations are suing the Texas Water Quality Board which ordered them to stop releasing untreated sewage into the Sabine River near Orange.

Meanwhile, the board has taken legal action against Harris County Water Control and Improvement District No. 60 to stop the discharge from its plant into Middle Bayou and Clear Lake. Board also called for Spring Branch Utilities, Inc., to show cause why it should not be ordered to stop pollution of Spring Branch Creek in Houston and Spring Valley with sewage plant effluent.

Inwood Development Company and Westgate Corporation, owners of Riverside Homes Addition near Orange U.S. Naval Station filed suit af-

ter the board told them to tie into the Orange sewage system. Petition claimed the board has no authority over Sabine River since it is the subject of a Texas-Louisiana boundary dispute. Also involved are questions of proof that the plant release is detrimental to health.

Board also learned that Shell Chemical Company is building a \$4,000,000 secondary waste-water treatment plant at Houston.

SCHOOL HEARINGS SET — House standing committee on education will hold 10 statewide public hearings during February. First will be in Kilgore on February 20 and the second in Gainesville on February 22.

Chairman George Hinson of Mineola says the principal purpose is to determine the

Sweetwater JC Rattlesnake Hunt Set March 1, 2, 3

The world's most unusual sporting event is scheduled for March 1, 2, and 3, 1968, in Sweetwater, Texas. The tenth annual Rattlesnake Roundup, the world's largest, is expected to draw hunters and spectators from throughout the world.

Last year nearly two tons of rattlesnakes were registered during the three-day event. Several foreign hunters were involved in the hunt which netted 4,000 live rattlers for a total of 3,400 pounds of wriggling danger.

The annual hunt, sponsored by the Sweetwater Jaycees, will feature the live snakes on display in the Nolan County Coliseum. There will be demonstrations of venom milking for use in research, guided tours for spectators and photographers, preparation and cooking of rattlesnake steaks, and Miss Snake Charmer, herself. All of this activity will take place in a carnival atmosphere, complete with midway, beard growing contest and a gun and coin show, a space exhibit from NASA and also exhibits of antique telephones and cars.

Ken Prewitt is the 1968 Rattlesnake Roundup Chairman. Richard Gesin is President of the Jaycees, and publicity is handled by the Sweetwater Chamber of Commerce.

needs in the area of vocational and technical education, and to explore inadequacies and lack of coordination. Most of the hearings will be held in rural areas and smaller towns although metropolitan problems also will be explored.

Representatives of the Texas Education Agency, the higher education coordinating board, the regional education centers and the governor's public school study committee will report at hearings. Educators, business and industrial leaders and private citizens are invited to testify.

Henry Leopole, grandson of Mrs. A. O. Tindal and recent graduate of the University of Texas, visited with his grandmother here briefly Tuesday enroute to the West Coast where he will be training for 10 weeks in the U. S. Navy in San Diego, Calif. He had been in the Naval Reserve. He was

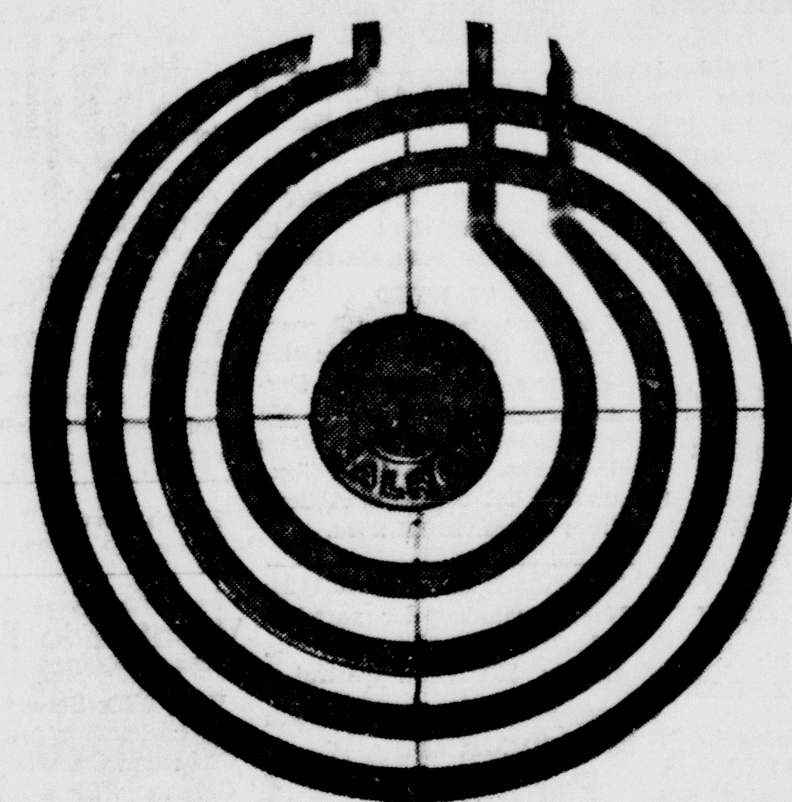

accompanied by his mother, Mrs. Ward McDowell of Fort Worth. She returned to her home in Fort Worth Friday.

COOK ELECTRIC

CLEAN AS A...

Pick almost any word that describes cleanliness and it explains a major advantage of an electric range.

When you cook with flameless electricity, there can be no fumes or smoke to dirty the range and surrounding walls and floor. An occasional "once-over-lightly" wash keeps your cooking area spic and span!

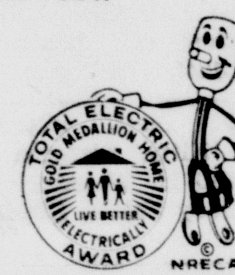

Many new electric ranges feature self-cleaning ovens making the messy, tiring chore of oven-clearing as old-fashion as cooking with flame. Now all you need do is set the

dial; like magic, your oven is sparkling clean in minutes!

But the real advantage of cooking electric is ease and speed. You select the "just right" temperature for every dish. Once you establish a superior recipe, it's easy to repeat time-after-time.

Small wonder so many "old fashion" cooks know that better cooking is just a dial away... with an electric range. Visit your favorite appliance store soon. With a flameless electric range, you're certain to cook rings around the rest!

A modern gas dryer keeps permanent press pressed best.

Impressed?

Or did you assume that permanent press will always come out looking as crisp as when you bought it. Well the fact is, it won't! Not unless your dryer has a rapid cooling and tumbling cycle. You see, heat sets creases. And permanent press that sits under a heavy load in a hot dryer can come out with more creases than when it went in. Modern Gas dryers have this special cool-down cycle. INDOOR-SUNSHINE SALE. Modern gas dryers keep permanent press permanently pressed best. Now... impressed? Lone Star Gas

and the surrounding towns gathered at the Community Building for a reception. Those towns represented through the attending bandmen were Roscoe, Rotan, Haskell, Anson, and Abilene-Copier High. The Tech Stage Band members were guests in the homes of Hamlin Stage Band members.

The defeat of Haskell's A and B boys and their A girls' basketball teams really put the Pipers on Cloud Nine. All three teams defeated their opponents with ease, and there was no real challenge in any of the games. The A boys' team played their second string in all four quarters the majority of the game. This victory still left the Pipers tied with Colorado City for first place in the district.

Sales for the senior class-sponsored chili supper have been moving all steadily since the tickets were issued last week. The chili supper will be this Saturday night, Feb. 10, in the high school cafeteria. Serving will begin at 5:00 p.m. and continue until 7:00 p.m. The cost is seventy-five cents per ticket with chili, beans, onions, pickles, crackers, tea or coffee, and homemade pies being served. Tickets may be purchased from any senior or at the door, with proceeds going for the senior trip to Colorado.

With the end of Twirp Week last Saturday came time for those girls who had dates without a twirp license to appear before the Kangaroo Court. The Student Council sponsored the week-long event during which the girls asked the boys for dates.

Flag raising ceremonies are held each Monday morning in front of the school with attendance voluntary. The National Honor Society has sponsored the ceremonies for the last few years with NHS members performing the duties.

Presenting the junior play this year will be Robert Bailey, Sandra Payne, Marilyn Fudge, Sharon Townley, Jackie Don Williams, Jo Lynn Johnson, Mike Young, Cheryl Walton, Charlie Bishop, Cindy Bryant, Mike Brown, Pat Perrin, Reta Oliver, Patty Cowan, Nancy Rackley, and Joey Duncan. Mrs. Scott will be the director with Beth Craig and Dianna Crowley as student directors. The three-act play is entitled "Boys and Ghouls Together" and will be presented in March.

Due to laxity in paying for Christmas Cards, penants, and other items, the senior class is charging interest to all seniors who have not paid all of their debts to the class.

Several Attend Training Course Monday Night

The final classroom session of the Industrial Team Training course taught by "Bush" Haley was held Monday night in Anson at the 66 Sirlin Cafe.

Some 30 persons attended the last of the four classroom sessions. The course is sponsored by the Community Development service area development of Lone Star Gas Company of which Haley is manager.

Theme for the meeting was Teamwork for Progress.

The sessions were held in Stamford, Haskell, Hamlin and Anson. Thirty-two persons attended the Jan. 30 session at Lee's Cafe here.

Attending in Anson from here were Henry Albritton, George Campbell, Luther Hought, Mr. and Mrs. Ned Moore, Larry McGraw and Arlie Cassle.

SSG. Sam G. Rivera, son of Mr. and Mrs. Joe M. Rivera, arrived at San Jose, Calif., Jan. 10 after serving a year in Vietnam with the U. S. Army. His wife, the former Flora Gonzales, and their five children live in San Jose. The family will be visiting here with relatives in February when they will be enroute to Georgia where he will be stationed.

RPCG Officials Offer Information Producers Might Consider In Plans

STAMFORD — Decisions to be made by cotton producers in the Rolling Plains during a six weeks period beginning Monday, February 5, could have the greatest impact on their 1968 income of anything that might happen during a similar six weeks' period for the remainder of the year, according to Charles G. Bragg, executive vice president of the Rolling Plains Cotton Growers, Inc.

"Officials of RPCG do not propose to try to tell producers what they think the farmers ought to do about signing up in the acreage diversion phase of the 1968 cotton program.

"We had hoped to get administrative officials of the

Agricultural Stabilization and Conservation Service of the USDA to change the date of the six week sign up in the diversion program to end on a date nearer June 1. Failing this, however, RPCG officials would like to call producers' attention to a few points before they decide on how much of the 30 per cent voluntary acreage they will place under production controls," he said.

Some aspects to be considered in determining the extent of allotted acreage, above the 5 per cent mandatory to be diverted, as cited by Bragg, are these:

(1) The 1967 U. S. cotton crop is the shortest in 72 years and Commodity Credit Corporation stocks are down

to about a million bales. This is the lowest since 1952 and compares with a high of 12.1 million bales of CCC cotton in August 1966.

(2) Cotton prices rose steadily for 1 continuous weeks before hitting a peak of about 22.00 cents a pound on middling one-inch staple on Monday, Dec. 4. This compared with about 21.86 cents a pound earlier.

(3) More than 5 million bales of cotton disappeared from world supplies during 1967 and foreign production was below domestic needs of countries competing with U. S. producers.

(4) There are only a few alternate non-surplus crops which may be grown with some degree of success on upland diverted cotton acreage in the Rolling Plains which can assure the producer a reasonable net income. The alternate non-surplus crops

set out by USDA are cast beans, guar, safflower, sesame, plantago, ovata, sunflower, mustard seed, flaxseed and crambe.

H. O. CASSLE SON

"SP 4" Prefix To Change To "576" in October

EFFECTIVE with the issuance of a new telephone directory in October, all Hamlin telephone numbers will be changed from two letters and five numerals to seven numerals.

Hamlin thus will join many other Southwestern Bell exchanges which have this new numbering system, known as All Number Calling. ANC is already in use in many other parts of the nation.

The present prefix, "SP 4," will be changed to "576."

Some Other Number Changes

In some cases, the last four digits of each telephone number will remain unchanged.

However, numbers between SP 4-1000 and SP 4-1999 will be changed to the corresponding number in the 576-3000 series.

For example, SP 4-1691 will become 576-3691.

This change of numbers in the SP 4-1000 series is necessary, for technical reasons, to pave the way for future telephone improvements for Hamlin.

All the new seven-numeral numbers will be included in the next telephone directory.

Why the change to All Number Call-

Faster, Easier Dialing

There are several things you'll like about All Number Calling. Confusion between letters and figures (such as I and one, O and zero) and between central office names (such as Hubbard and HObart) will be eliminated. This means fewer wrong numbers.

Also your dialing of local calls will be faster and easier, with only numbers to look for on the dial.

Customers who use printed material bearing their telephone numbers will want to be sure to remember to use their new seven-numeral numbers in ordering material to be used beginning with next October.

WE believe that you will find this new up-to-date numbering system simple and more trouble-free to use. And Hamlin, as in the past, will continue to be in the forefront of telephone progress.

BALDREE SHOWS GRAND CHAMPION GILT

Susan Baldree won top honors in the Swine Division when she exhibited the Grand Champion gilt at the Stonewall County Livestock show held in Aspermont last Saturday. Susan, a member of the Old Glory Community Junior 4-H Club, is the daughter of Mr. and Mrs. Oren Baldree of Old Glory.

Winning second to Susan in the Sears Hampshire Division was Eddie Walsh, also of Old Glory. Kathy Wendeborn also won a blue ribbon on her Light Hampshire barrow.

Volunteers from the Old Glory 4-H Clubs who helped in the concession stand at the stock show were Doug Vahlenkamp, Debbie Williams, Linda Neumann, Beverly Neumann, Jimmy Teichelman, Freddy Barrera, and Sammy Henderson.

VARIETY CLUB
Nine members of the Old Glory Variety Club met for an all day quilting in the home of Mrs. Charlie Letz on Tuesday of last week. The quilt was made for Mrs. Morris Garner.

Supt. Dalton Gill attended an Administrators meeting in Abilene last week. The procedures for application of the Title II and Title III programs were explained by Calvin Hibler, Director of Program Approvals with the Texas Education Agency.

Visitors in the home of Mrs. Minnie Schmidt and Paul Wednesday night were Mr. and Mrs. Alfred Letz, Mr. and Mrs. Rudolph Ramm, Mr. and Mrs. Otto Dudensing, Mr. and Mrs. W. H. Vahlenkamp, Frank Lowack, Mr. and Mrs. Manuel

Thane and Mrs. Lillie Thane. Mrs. Schmidt's birthday was Wednesday and Paul's birthday was on Saturday.

Mr. Garrett Spitzer spent several days last week in Amarillo with her son and family. Mr. and Mrs. Kenneth Spitzer and Chad. Chad was ill and in the hospital there. He is reported to be well now and back at home.

Mr. and Mrs. Herbert Vahlenkamp went to Corsicana last weekend to visit their children. Marvin, a student at Navarro Junior College, and Nancy, who is employed there in Corsicana.

Visitors in the home of Mr. and Mrs. Lynn Flowers last Friday were Mr. and Mrs. Joe Hudspeeth of Hamlin, Mr. and Mrs. Rex Flowers of Abilene, Mrs. M. T. Raborn of Stamford and her daughter Marcella Raborn of Lubbock. Mr. and Mrs. E. E. Gill of Vealmoor spent last weekend here with their son and family. Mr. and Mrs. Dalton Gill and Mitch. The J. V. Ritenours of Abilene were also guests in the home of the Gills on Sunday.

Mr. and Mrs. Marvin Letz and Freddy of Haskell visited here with his parents, Mr. and Mrs. Herman Letz, last Sunday.

MRS. FLOWERS RITES HELD MONDAY
Graveside rites for Mrs. Lula Flowers, 90, were held at 2 p.m. Friday in Fairview Cemetery north of Sagerton with Dr. Jack Southerland, pastor of the First Baptist Church in Stamford officiating. Foster Funeral Home was in charge.

Mrs. Flowers died at 8 p.m. Wednesday at Anson General Hospital, after a brief illness. She had been a resident of Old Glory since 1903. Born

Jan. 24, 1878, in Arkansas, she was the daughter of the late Mr. and Mrs. W. G. Sheild and was a former school teacher in Palo Pinto County.

Mrs. Flowers was a member of the First Baptist Church of Stamford. She married William H. Flowers in Mingus in December 1903. Mr. Flowers died in 1959. She was also preceded in death by a daughter, Mrs. Lenora Dumas, on February 14, 1962.

Survivors include one son, Rex, of 3300 S. 21st, Abilene, and one sister, Mrs. Maude Fowler of Anson.

Pallbearers were Bill Tinton, Beno Hertenberger, Mid Johnson, Lisbon Letz, Travis Beil and Carl Hunt.

Miss Virginia M. Johnson, 74, of Old Glory died at 2:35 p.m. Monday, January 23, at Stonewall Memorial Hospital.

Funeral services were held Wednesday January 31, in the Aspermont Church of Christ, with Travis Boyd, minister officiating. Burial was in the Aspermont cemetery under the direction of Littlepage Funeral Home.

Born July 2, 1893, in Stonewall County, she lived here all her life. She was a member of the Church of Christ.

Surviving are three brothers, Bunyan R. and Mid C. both of Old Glory, and S. D. of Pecos; three sisters, Mrs. Clarice Hinshaw of Hope N. M., Mrs. Ruth Hinshaw of Walters, Okla., and Mrs. Kathryn Hollenback of Chama, N. M., 18 nieces and nephews.

Pallbearers were A. R. Sawyers, Bill Baitz, Herman Dugan, Morris Garner, Richardson Johnson and John Duncan.

Car Inspection Time Is Here, Warns Director

AUSTIN — The Texas Department of Public Safety reported today that more than 4,250,000 vehicles still remain to be inspected for the 1968 sticker before the April 15 deadline.

Col. Homer Garrison Jr., DPS Director, said that only 1,574,397 cars had been inspected so far this year. The total number of vehicles inspected during 1967 was 5,702,862.

Garrison urged motorists to have their cars inspected as soon as possible in order to avoid the long lines which will undoubtedly develop as the inspection period draws to a close.

Andy French Jr. Gets Fellowship

Andy French Jr. received a fellowship from Texas Tech for the spring semester. He will be teaching accounting and working toward a masters degree in accounting.

He received a BBA degree from McMurry College in August, 1967. As a national guardsman, he took his army training at Ft. Bliss, El Paso, and finished his training requirement at Fort Huachuca, Arizona.

Neinda Philosopher Finds An Odd News Item To Get His Mind Off of International News

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One apparently is trying to get his mind off the international situation, his letter this week indicates.

Dear editor:— The world is so crammed full of news lately nobody is able to keep up with a tenth of it, and two-thirds of the part he can keep up with is so unreliable a man with a good television set and plenty of time to watch it is likely to come out of his house every morning more mis-informed than a man with a busted picture tube.

Consequently I decided to get my mind off the current trials and tribulations for a few hours and think about an odd news item I read in a newspaper a couple of weeks ago which I have been toying with in the back of my head ever since.

According to it, a food processor has come up with an

artificial turkey. He mixes a lot of proteins and such stuff, blends it together, shapes it up, and according to people

Over 800 Voter Certificates Issued At BCD Office

Over 800 voter certificates were issued here at the BCD office, according to Mrs. Ned Moore, secretary. Figures on the total number of voters in Hamlin is not available at this time since many voters qualified through the County Clerk's office and some of the certificates issued here would have been for voters outside the two Hamlin boxes.

Estimates of the voting strength of Jones County run upwards to 7,000.

All who wanted to vote had to register this year. There were no exemptions. In many previous years, in this county, voters over 60 years of age were exempt.

who have tasted it you can't tell it from real turkey meat. However, and this is the point I've been thinking about, to help sell it, the inventor includes a plastic wish-bone in each package.

Outside of maybe hide-away headlights on my tractor, I can't think of anything more fun than coming up on a plastic wish-bone while munching on a piece of artificial turkey while watching a taped soap opera on television.

This is a strange world we're living in. Only last night I heard a politician on television making a speech he wrote himself. He just barely got through making it and I just barely got through listening to it.

There may be something to say after all for synthetic turkey, plastic wish-bones and ghost-written speeches.

Yours faithfully,
J. A.

California Creek SCS District To Sponsor Judging Contests

The California Creek Soil and Water Conservation District will sponsor three judging contests for area vocational agriculture students on Tuesday, March 5, according to Birger Haterius, chairman of the board of supervisors. The contests, slated to begin at 12:30 p.m. will take place at the vocational agriculture building at Stamford High School, and on farm and ranchland near Stamford.

Plaques or trophies will be awarded to winning teams

in land judging, grass judging, and range management contests," Haterius said. "In addition, key chains will be awarded to high point individuals."

Local Soil Conservation Service technicians are helping with preparations for the contests, which will include grass identification and the judging of soils according to their characteristics and needed treatment. "In addition, a pasture and range management contest will be held for the first time this year," Haterius said. "This will give the boys experience in determining range sites and their condition, based on the identification of plants actually growing in the pasture."

Invitations to the event have been extended to all vocational agriculture departments in the district.

CPL. M. W. BRADFORD
... all right after attack

Writes Home Following Viet Cong Attack

Cpl. Marshall Wayne Bradford, son of Mrs. Jack Russell, now serving with the Hanger and Maintenance Squadron of the First Marine Air Group

Flight Line at Chu Loi Vietnam, wrote his mother Feb. 1, soon after a recent ground attack by the Viet Cong. She received the letter Wednesday morning relating that he was all right. He said the VC shot in rockets and one plane was hit and there was damage to the hanger areas.

Only six in his outfit were injured and there were none killed.

Cpl. Bradford has been in Vietnam since November.

Bridge Winners

A tie for first place at the Tuesday evening meeting of the Hamlin Duplicate Bridge Club was between Mrs. R. H. McCurdy - Mrs. Harvey Elkins and Mr. and Mrs. Henry Albritton.

Another tie for third place was between Mrs. Ray Sonnenburg - Mrs. Dale Lain and Mrs. W. O. Willbanks - Mrs. W. L. Hunter Jr.

The club meets every Tuesday at the Hamlin Community Building.

Royston Native, Mrs. Wanda Hogan Dies In Rotan

Funeral for Mrs. Wanda Carriker Hogan, 41, a native of Royston in Fisher County, was held Saturday at 2:30 p.m. in Weathersbee Funeral Home Chapel. She died at 7:40 p.m. Thursday in Callan Hospital in Rotan.

Mrs. Hogan had entered the hospital Thursday morning and had been in ill health for some time.

The Rev. Temple Lewis, Baptist minister from Abilene, officiated, assisted by the Rev. Bob Ford, pastor of First Methodist Church of Rotan. Burial was in Rotan Cemetery. She had been a member of the Methodist church since childhood.

Born June 26, 1926, in Royston, she was the daughter of Mr. and Mrs. Coy Carriker of Royston. She had lived in the county all of her life except one year at Odessa and two

years at Acuff.

Survivors include one son, Tom Max Hogan of the home, a seventh grader in Hamlin Junior High; her parents, Mr. and Mrs. Coy Carriker of Royston; her paternal grandmother, Mrs. Alice Carriker of Rotan; nine uncles and eight aunts.

She was preceded in death by a daughter, Vondell in 1950.

Pallbearers were W. D. Rushing, John Ed Reed, Roy Mitchell, Troy Gruben, Dick Gruben, William McCright.

Mexican artist Juan O'Gorman painted a 1130-foot mural adorning the facade of the Convention Center Theater at HemisFair '68.
